Auto Tank Level Monitor & Auto Tank Replenish

Auto
Fluid Makeup
Solenoid Valve

Insulated
Tank

Installed - Auto City
Water Makeup Solenoid Valve

Auto Level Switch
(this model shown is for
Stainless Steel Tanks)

- The **Auto City Water Makeup Solenoid Valve** physically starts and stops the fluid flow to the tank.
- The **Auto Level Switch** tells the **Auto City Water Makeup Solenoid Valve** when the flow of fluid to the tank should turn on or off.
